

CREDIT INSURANCE

Can you really afford to trade without it?

(Protection, Secure Growth, Real Time Information & Collection/Legal Support)

Why risk losing your biggest assets? Investing in Credit Insurance helps guard your company against unpaid invoices and gives you valuable insights into your customers' financial health.

Key benefits of cover include:

 Balance sheet protection – some certainty in an uncertain world	 Builds confidence to trade in new markets and with new customers
 Access to proprietary information not available elsewhere	 Collection & legal support – included or available on demand
 Detailed customer insight to support fraud detection	 Enhanced cashflow protection to secure profitability
 Potential for better credit terms with banks and suppliers	 Supports existing credit management function – enhances & promotes good practice

Whether you want to insure UK sales, export sales, your whole turnover, or just key accounts, our expert team at ABL Business will tailor a policy to your needs – even covering unique risks like consignment stock, pre-delivery exposures, disputes, or retentions.
